Your chance to catch the world's largest Lake Trout

In this angler's paradise, fish stay close to the surface in our cold and clean waters throughout the early July to late August season. Catch record breaking Lake Trout and Arctic Grayling.

Enjoy the long summer days, our northern hospitality and a delicious shore lunch, a highlight of any day's fishing. Our experienced guides will take you to the best fishing holes, share tips and techniques and a few fish tales where the size of the catch is never exaggerated. This is a trip you will remember for a lifetime.

Air connections from southern Canada and the United States are excellent, with daily jet service to Yellowknife and Norman Wells. A regional scheduled carrier will then take you directly to Deline and legendary Great Bear Lake, the best fishing in the world and the comfort of the Grey Goose Lodge.

Take a fly-fishing float trip on the Great Bear River for Arctic Grayling and Northern pike. Fishing Excursions are available. We also have weekly fishing packages available. An excellent trip for family getaways. A guide is required to fish our waters.

Great opportunities for corporate retreats with high-speed Internet and boardroom facilities available.

The world's eighth-largest lake, Great Bear Lake holds World Records for both Lake Trout and Arctic Grayling.

Our Guides are experienced fishermen, they were born to fish so when you travel with them they will bring you to places where fish flourish and where the best spots are, so we are happy to provide these experts.

Guests will be staying at a 4 star lodge, the Grey Goose Lodge located within the community of Deline, NWT, where the Great Bear River flows out of Great Bear Lake, Grey Goose Lodge is a beautiful modern facility providing all the amenities of home.
